# Introduction

This manual documents the SSBHRPWS and SSBHRPW2 copybooks.

Refer to the Adaptive Control Elements section of the *Behavior Scoring and Adaptive Control* manual for more information about the Adaptive Control System (ACS) elements.

LRECL=114    Block Size=    23370 out of program, but can be transmitted or sent on tape, which will change total block size.

## Note

This manual meets First Data Corporation Monetary Field Expansion (MFE) standards.
